

Water meters are available for purchase at the Utility office at 806 N Ave. This could be for new construction, replacement due to customer problem, or an additional meter for outside usage. Meters must be paid for before pick up. We accept cash, check, and VISA, Mastercard, or Discover.

Meters can be picked up at the water plant at 1206 Q Ave once paid for. Please consider calling ahead of time so our guys have time to get the meter ready for you. For new construction, there will be a permit with other fees to pay for as well as the meter. Any questions, please call our office at 712-338-2401.
